### **CREDIT CARD on FILE w/Personal Guarantee:**

Your credit card details will be kept on file in the event of loss, damage, or late return. A personal guarantee is also required, listing the client as personally responsible for all damages and outstanding balances, which can then be collected civilly.

### **FULL REPLACEMENT VALUE:**

We will need the FULL Replacement Value of the equipment charged to a credit card, or a cash deposit. After your rental has been returned, and all equipment tested and verified, the deposit will be released.

### **CERTIFICATE OF INSURANCE (COI):**

Our company must be listed as LOSS PAYEE. This is a certificate issued by your insurance company. You will need to contact them for assistance. If you do not have insurance, we will require the full replacement value of the rented equipment to be placed on file as a security deposit. This can be satisfied with a credit card or a money order as listed in FULL REPLACEMENT VALUE above.
